

SHOLOM PARK

SAFETY AND SOCIAL DISTANCING POLICY

Our staff takes pride in being friendly and approachable, but during these uncertain times, we must take precautions to protect their safety and well-being, as well as that of our park visitors

- ◆ **PARK STAFF AND VISITORS MUST STAY 6 FEET APART TO MAINTAIN SOCIAL DISTANCING**
- ◆ **VISITORS MUST LIMIT GROUP GATHERINGS TO 10 OR LESS.**
- ◆ **PARK STAFF WILL CLOSE ENTRANCE GATES WHEN PARK REACHES A CAPACITY THAT DOES NOT ALLOW VISITORS TO MAINTAIN SOCIAL DISTANCING GUIDELINES**
- ◆ **PARK STAFF AND VISITORS WHO FEEL SICK OR HAVE SYMPTOMS SHOULD STAY HOME.**
- ◆ **WIPE DOWN BENCHES, WATER FOUNTAINS, DOOR KNOBS AND HANDLES BEFORE TOUCHING.**
- ◆ **WASH HANDS OFTEN FOR AT LEAST 20 SECONDS WITH SOAP AND WATER. WHILE PARK STAFF IS DOING THEIR BEST TO ENSURE SOAP IS AVAILABLE, VISITORS ARE ENCOURAGED TO BRING THEIR OWN SOAP OR HAND SANITIZER**
- ◆ **SHOLOM PARK RESERVES THE RIGHT TO ASK ANY GUEST NOT FOLLOWING THE ABOVE GUIDELINES TO LEAVE THE PARK.**

We are happy to provide a place for people to get outdoors and enjoy the much needed peace serenity the park has to offer. We are all part of the solution and working together, we can ensure the park remains open during these times when it is needed the most.
